

May09th, 2009

Please consider providing an auction item for this worthy cause or playing in the **Second Frank Kuypers Memorial** golf tournament.

Everyone says a day on the golf course is better than a day in the office. Mr. Frank Kuypers, our greens Superintendent of 21 years, provided, some say, the best greens and course maintenance that York Region has ever seen. Suddenly at the age of 46, this 6'4", 240 pound man passed away due to a stroke on November 4th, 2007. He was part of our Shawneeki family and we really miss him. Over my 20 years as a Golf Professional, I have donated to countless charities and functions in good faith sometimes not even knowing the charity. This family, I know needs our help.

Frank's family needs everyone's help after this shockingly devastating event. A second Frank Kuypers Memorial Tournament will be held **Wednesday July8th, 2009**, accompanied by musical entertainment. We need any and all support from the general public, other golf courses, businesses to raise funds for Frank's wife, Lidia, daughter Genia and son Eric. Lidia was a stay at home wife and mother at the time and now her world is upside down financially, mentally and emotionally. Please help the Kuypers family out with anything you can afford to assist them in getting back some normalcy in life. Our goal is to pay off their mortgage over 2 tournaments if possible, last year and this year. Silent auction items will be accepted with all proceeds going to the family.

Frank, "the Invincible One" didn't ask for help from anyone and was the person who helped countless others on any kind of project, from building or fixing computers, landscaping and home renovations, he helped everyone. Now let's make it our turn to help him take care of his family. His ability, expertise and dedication coupled with his caring and proud demeanor made him a wonderful Father, Greens Superintendent and friend to all that knew him. Please support his family by playing in the golf tournament or sending an auction item by June 27th to:

George Lacy, CPGA Head Professional
Shawneeki Golf Club C/O Frank Kuypers Memorial
